# Paul's Purpose

## Verse 1

Faith means believing something is   
and committing our  to it.

Really understanding what God has done for us by saving us  
gives us three things: humility, security and passion.

Draw a line from each word to the correct explanation.

**humility**

**security**

**passion**

God gives us a  
desire to share  
the good news  
of salvation  
with others.

We realize that  
we are saved by  
what God has  
done, and not  
by anything we  
have done.

Because my  
salvation is from  
God, I can't mess  
it up!

It's not just knowing  Jesus did.  
It's letting *what* He did redefine  
 you are and how you .

**Verse 2** talks about eternal life, which isn't just about going to  
heaven. It's about God making you more and more like Jesus right  
now! Can you think of two ways you want to be more like Jesus?

1. \_\_\_\_\_
2. \_\_\_\_\_

**In verse 5** Paul says that he left Titus to do some work in a place called Crete. Most of the people in Crete worshiped a false god named Zeus. Listen to Pastor Scott describe him.

How was Zeus very different from the one, true God "who never lies"?

---

**THINK  
ABOUT IT...**

***Why is it important that  
our God never lies?***

## WHO IS TITUS?

**Verse 4** tells us that Paul loved Titus like a father loves his son.

To Titus, my true  in a common faith:

Paul and Titus had a "common faith." They both believed that Jesus died to pay the price for our sin. He rose again to show His power over death! By putting our trust in Jesus alone to save us, we enter His family and have eternal life.

**THINK  
ABOUT IT...**

***Do you share their common faith? Have you  
put your trust in Jesus to save you? Do you  
know for sure that you have eternal life?***

**What two blessings did Paul pray for Titus? Fill in the blanks.**

and  from God the Father  
and Christ Jesus our Savior.
