WHAT ARE PROVERBS?

They are short, common sense instructions. We are being wise when we apply them to our everyday life!

Proverbs 26:11 “Like a dog that returns to his vomit is a _____ who repeats his folly.”

What!? A dog eating its own vomit? Disgusting! Crazy! Why?!

This proverb says that we are a lot like that dog when we keep doing the same foolish thing over and over again!

**Can you think of something foolish that
you have done more than once?**

ARE PROVERBS TRUE?

Proverbs are true, but they are incomplete. We have to think carefully about what they mean and about our situation to know how to apply them.

Below, circle the words that give an opposite instruction.

Proverbs 26:4 — “Do not answer a fool according to his folly, or you yourself will be just like him.”

Proverbs 26:5 — “Answer a fool according to his folly, or he will be wise in his own eyes.”
