WISE FAITHFULNESS

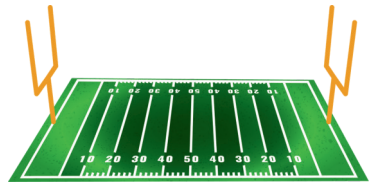

PROVERBS 4

Verse 7 In the verse below circle the two things that we are told to get.

***“The beginning of wisdom is this: Get wisdom,
and whatever you get, get insight.”***

“Insight” is applying wisdom to situations in your life -
putting wisdom into action!

*If you were putting wisdom into action, how would you behave
differently in the doctor’s office than at a football game?*

Keep _____ of instruction; do not let _____;
_____ her, for she is your life.

Proverbs 4:13

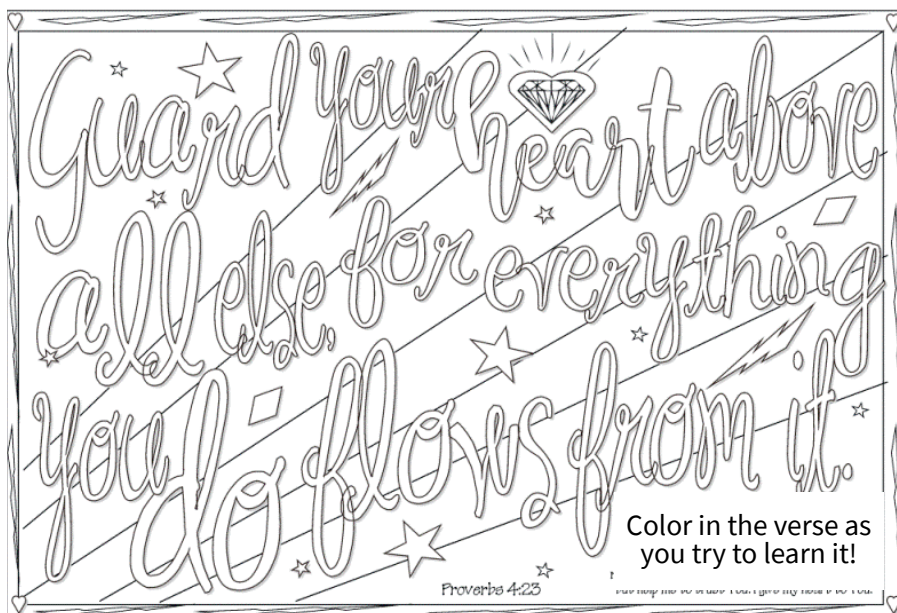

Let them not _____ from your sight;
keep them within your _____.

Proverbs 4:21

GUARD YOUR HEART!

Verse 23 “Keep your _____ with all vigilance, for
from it flow the springs of _____.”

The NIV version of the Bible says it this way:

Verses 24-27 tell us 4 ways to guard our heart. Draw a line from each phrase on the left to the correct ending on the right.

Verse 24 Put away from you...

of your feet

Verse 25 Let your eyes look...

directly forward

Verse 26 Ponder the path...

away from evil

Verse 27 Turn your foot...

crooked speech

How do the water pump and the sponge remind us of our heart?

While Pastor Beau continues to teach your parents, think about how you can GUARD YOUR HEART by doing the activity below.

The 4 ways to guard our heart can be said like this:

Watch what you say!

Be careful about what you look at and watch!

Make wise choices about where you go!

When you're tempted to sin, turn the other direction!

How do you need to be more careful with your words?

Do you need to change what you spend too much time looking at?

Where are you tempted to go that probably isn't the wisest choice?

Name a time when you were tempted but didn't give in!
