

## ***Fear Not***

Zechariah's Story – Luke 1:1-25 (p. 855)

This season, we're exploring the simple, yet life-changing words spoken four times in the Christmas story: *Fear Not*. We begin with Zechariah and Elizabeth—an older couple who lived faithfully through years of disappointment and unanswered prayer. Their story reminds us that God sees what we carry, hears the cries of our hearts, and continues to work... even when He seems silent.
