Marriage by Design

Marriage is one of God's greatest gifts, but it was never meant to carry the weight of being our greatest hope. As we look to Scripture to understand God's design for marriage, we'll discover how God uses marriage (and all relationships) to shape us into the image of Christ and display the beauty of the gospel.

Marriage Begins with Covenant (Genesis 2, Mark 10, Ephesians 5)

Marriage Reveals and Shapes Us (James 4, Romans 8)

Marriage Displays the Gospel (Ephesians 5)
