

Not Home Yet: A Study of 1 Peter

Stewardship – 4:1-11 (page 1016)

Because Christ suffered and the end is near, followers of Jesus do not return to their former way of life or waste what God has entrusted to them. Peter calls us to live for God's will and faithfully steward our minds, hearts, homes, and gifts. Everything we have has been given by God, is to be used for others, and should ultimately bring glory to Jesus Christ.
