

In the Beginning, God - Genesis 1:1 (p. 1)

Every worldview begins somewhere. The Bible begins with God. As we begin our journey through Genesis 1–12, we'll discover why these ancient chapters are foundational for understanding God, ourselves, our world, and our hope. Before Genesis answers the questions of who we are, why we're here, or what's wrong with the world, it takes us back to the most important reality of all: "In the beginning, God."
