

Made in His Image - Genesis 1:26-2:7 (p. 1)

What does it mean to be human? Genesis tells us that every human being has been created in the image of God, giving each person unique dignity, value, and purpose. We were made to reflect God and represent Him in His world, and that changes not only how we understand ourselves but how we see and treat others. Though sin has distorted God's image in us, it has not erased it and, through Christ, God is at work restoring His image in us.

We Reflect God's Image (Genesis 1:26)

We Represent God in His World (Genesis 1:26-31)

We Recognize God's Image in Others (Genesis 9:6; James 3:8-9)

God Restores His Image in Us (Col. 1:15; 2 Cor. 4:4; Rom. 8:29; Col. 3:10)
